

A Quote from Darren Colderwood,

Development Programme Director, Heathrow Airport

Dominique has worked as part of the Heathrow Project Management team for a number of years. She has worked as part of my team, providing scheduling advice, guidance and assurance. She has a strong reputation in our team, with our supply chain and amongst her peers. She carries out her tasks quickly and effectively, and mixes well with others. She is a professional and capable team leader, with good interpersonal skills and a high degree of expertise. She has been a great asset, and I am sure we are going to miss her.
